

Alberto Arezzo

**Assistant Professor of Surgery
University of Torino, Italy**

Curriculum Vitae

Education

born 09.08.1968 in Genova, Italy

1987-1992 Degree in Medicine, University of Genova, cum laude

1992-1997 Diploma in General Surgery (PhD), University of Genova, cum laude

Clinical Experience

1997-1999 scientist at the Section for Minimally Invasive Surgery at Eberhart Karls University of

Tuebingen (Germany), dir Prof Gerhard Buess

from 30.6.99 to 19.1.04 Assistant Surgeon at the Department of General Surgery, Saint Charles

Hospital, Bordighera (Italy).

from 20.1.04 to 31.10.07 Assistant Surgeon at the Department of General Surgery, Evangelic International Hospital, Genova (Italy)

since 1.11.07 Assistant Professor of Surgery at the Department of Surgery, Center for Minimally

Invasive Surgery at the University of Torino (Italy), dir Prof Mario Morino

Research Experience

1997-1999 scientist at the Section for Minimally Invasive Surgery at Eberhart Karls University of

Tuebingen (Germany)

since 1997 partner of several different projects in the field of flexible endoscopy with Boston Scientific, Microvasive Endoscopy (Boston, MA, USA) on endoluminal GERD treatment, colonic

large polyps resection, endoluminal clips and stapling

1997-1999 main investigator of a research project on robotics in endoscopic surgery with Karl Storz Endoskope GmbH (Tuttlingen, Germany)

1997-1999 coordinator of a Research Project on Gastro Esophageal Reflux with Willy Ruesch GmbH (Kernen, Germany)

since 1999 coordinator of a Research Project on robotics in endoscopic surgery with the National

Forschung Zentrum Karlsruhe and Innomedic company (Germany)

since 2003 partner of OVESCO GmbH, (Tuebingen, Germany) for the design, test and clinical employment of a new large nitinol clip for flexible endoscopy.

from 1.12.01 to 30.11.03 partner of an international consortium for a Research Project named CLEANTEST on Cleaning, sterilization and design of instruments for endoscopic surgery sponsored

by the European Community within the V TMR.

from 1.3.2002 Consultant for Boston Scientific Microvasive Endoscopy (Natick, MA, USA)
since 1.9.2003 Consultant for Ethicon Endosurgery (Johnson & Johnson Medical) Italy
since 1.5.2005 Consultant for Johnson & Johnson Medical Europe, Inscope Division
since 1.09.06 partner of an international consortium for a Research Project named VECTOR
on
development of a robotic capsule for GI endoscopy sponsored by the European Community
within
the VI TMR.
since 2006 partner of several different projects in the field of flexible endoscopy with
NOVINEON
GmbH (Tuebingen, Germany) with special regards to Endoluminal Flexible Surgery and
NOTES.
since 1.11.07 Assistant Professor of Surgery and scientist at the Department of Surgery,
Center for
Minimally Invasive Surgery at the University of Torino (Italy), dir Prof Mario Morino

Scientific Experience

since 15.1.04 board member of SICTECA, Italian Society of Technologic and Computer
Assisted
Surgery, Italian branch of ISCAS
since 20.9.04 referee of the Journal - Surgical Endoscopy, Allied Technologies and
Percutaneous
Techniques, official journal of SAGES and EAES.
since 01.12.04 referee of the Journal - Minimally Invasive Therapy and Allied Technologies,
official journal of SMIT (Society for Medical Innovation and Technology)
since 1.10.05 board member of SMIT, Society for Medical Innovation and Technology and
member
of the editorial board of MITAT Journal
since 01.06.06 referee of the Journal - Techniques in Coloproctology
since 01.01.09 referee of the Journal - Endoscopy, official journal of ESGE
since 01.01.09 Assistant Editor of the Journal Techniques in Coloproctology (Springer Ed)

Prizes and Fellowships

1991 & 1992 Fellowship of the Italian Secretariat of Students in Medicine (SISM)
1993 Prize "Ettore Ruggeri" of the Italian Society of Surgery (SIC)
1996 Fellowship of the Deutscher Akademischer Austausch Dienst (DAAD)
1998 Prize of the European Association of Endoscopic Surgery (EAES)
1999 Prize City of San Remo, for a Lecture on Coloproctology
1999 Research Fellowship of Karl Storz Endoskope, for a study on robotics
1999 Prize "Paride Stefanini" of the Italian Society of Endoscopic Surgery (SICE)

Stages, Congresses & Courses

15 Stages, 8 in foreign departments
131 Congresses, 62 International
48 Courses, 12 International

Publications

75 journal publications, 42 on Index Medicus
97 abstract to congresses, 71 for International Congresses

Lectures

60 Lectures at Congresses, 29 International
64 Abstracts to Congresses, 33 International
12 Video presentations to Congresses, 9 International
2 International Seminars

Interests

New Technologies for Endoscopic Surgery and Flexible Endoscopy
